 ONE CALL = ENDLESS SUPPORT

If your business is growing and is looking to expand an existing facility, locate a new facility, add workforce or train them, you may qualify for programs which could significantly impact your bottom line. The Community Improvement Corporation of Springfield-Clark County (CIC) and its Resource Partners (see below) will evaluate your project, determine eligibility, pull the resources together, and manage the entire assistance process. We're aggressive, experienced, and will work to maximize your benefit.
